Sir:

AMENDMENT

In response to the official action received
from the Examiner dated February 9, 1990 please amend
the subject application as follows:

IN THE CLAIMS:

Delete claims 1 through 13 and add the
following new claims:

134. A battery having a battery strength
indicating means to indicate the strength of the
battery comprising a battery having a first terminal
and a second terminal; a battery indicator and switch
means comprising a non-conductive base layer, a
non-conductive top layer disposed over the base
layer, a first chamber formed between the top layer
and the base layer, and a second chamber spaced from
the first chamber and formed between the top layer
